## Welcome to the Schmalz Cup 2023

We are very excited to have Dairy Farmers of Ontario partner with us as our Title Sponsor again this year. The Dairy Farmers of Ontario have been a huge supporter of the PJHL and we want to showcase their support as much as possible. The Schmalz Cup is one of the most iconic junior hockey trophies and is arguably the most difficult trophy in junior hockey to win.

This season saw a return to normal for most of us after enduring 3 years of restrictions and dealing with the pandemic. Our teams have seen an increase in attendance this year with many teams seeing 500-1000 fans in their arenas for playoff games. This is the 2nd year that we have decided our championship finals using the tournament format. There are many advantages to the tournament. With a league as large as the PJHL, it normally takes about 14 weeks to complete playoffs. The tournament shortens that and allows more of our teams to participate longer into March and April and allows us to have a schedule that is beneficial to student athletes as well.

I would like to take this opportunity to thank the volunteers in and around the PJHL. Without these great people, our league could not achieve the level of success we aspire to. A special thank you this year goes out to the volunteers from Woodstock that have put in hundreds of hours planning this event.

The PJHL is made up of 63 franchises across Ontario and is the largest junior hockey league in the world. The league is defined as a Destination league where we are proud to provide opportunities for over 1400 players to play competitive hockey while continuing to pursue their post secondary education and career ambitions.

A warm welcome goes out to all participants in the Schmalz Cup Finals including players, fans, staff, officials, and of course, our sponsors.

Sincerely,

#### Terry Whiteside, Commissioner

# Stayner Siskins NORTH CHAMPIONS

This season marks the 50th anniversary for the Stayner Siskins. The Siskins started their journey in 1972 and played in the South-Central Junior D league. The follow year, the league was promoted and became the Central Ontario Junior C hockey league. The organization has won many Division titles and made it to one Schmalz Cup final in 1992 where the Siskins lost 4 games to 2 against the Belle River Canadians. Last season, the Siskins had a good playoff push making it to the final 4 teams in the Schmalz Cup but falling short in the semi-final game.

General Manger, Jeff Sanders has been with the Siskins for the last 6 years, putting together a competitive team each year. Throughout his tenure as the Siskins GM, he has won 3 Carruthers division titles. The Director of Operations, Richard Gauthier has been with the team for 26 years as a player, Coach and General Manager. The Siskins Head Coach, Graham Pickard joined the team in 2019. This past season, Graham won his 2nd Carruthers division title and is returning this year to the Schmalz Cup final 4. Assistant Coach, Ben Hughes was a superior player for the Siskins from 2016-2018 and started his first season as an Assistant Coach this year. Also this season with a 36 win 4 loss regular season record Graham Pickard and staff Ben Hughes and Jeff Sanders and Daryl Asheden they won coach of the year for the Carruthers Division .

The Stayner Siskins have a lot of junior experience in their line up. This season, Damen Boose, Chris Prucha and Ty Roberts all had 60+ points in the regular season. The D core has 3 key veteran players returning from last year's team, Ethan Allair, Caleb Booth, and Joseph Magani. In net, both goalies finished with a good save percentage, in the regular season Nick Cicceralli posted a 0.945 and Derek Hartley 0.919.

# Clarington Eagles EAST CHAMPIONS

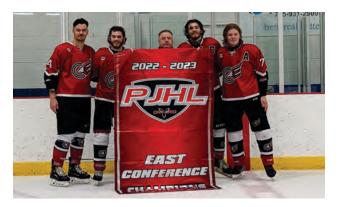

Clarington Eagles biggest strengths as an organization is our goaltending and team depth. The Eagles have to one of the favourites as they have not lost a playoff game this year. They lost 3-2 in overtime last year in the final to Lakeshore.

Since Dean Baumhauer has taken over as the Coach-GM the Eagles have been a top team in the PJHL and the team to beat in the East.

We're very fortunate to have two number one goalies on our team in Jude Rondina and Marc-Olivier Robert. Both had exemplary stats in the regular season and have followed that up with an amazing playoffs. Jude received the Orr Division's Goalie of the Year award.

Our backend has seven defence that could play in anybody's top-4 across the league, but is anchored by Ryan Hall and Cole Williamson. Ryan Hall was acquired in the off-season from the Haliburton County Huskies of the OJHL, and Cole Williamson was acquired just before the trade deadline from the Lindsay Muskies of the OJHL.

Up front, we're fortunate that we can run four lines consistently and get production from all four. Brady Darrach and Dawson Manning are the two key players for us up front. Dawson was the leading scorer in the Eastern Conference this season, while Brady brought home the Orr Division MVP Award. We have a great second line that could be a first line on most teams in Mitch Davies, Connor Davies and Kolby Poulin.

## AWARD WINNERS

#### PLAYER OF THE YEAR – Damen Boose – Stayner Siskens

Damen Boose was born in Collingwood, Ontario in June 2005. Damon has been a top player in the PJHL all season. He finished in the top 5 PJHL scoring in the regular season. He is leading the PJHL in scoring in playoffs with 20 goals and 20 assists in 19 game. Damen plays up front and on the point on the power-play. He kills penalties and plays a physical game as well. OHL teams and OJHL and GOHL have all been out to watch him play.

Damen had a passion for all sports at a very young age. He chose hockey as his winter sport. Starting out with the Collingwood Blackhawks and working his way to playing AAA for the North Central Predators. Damen spends his off-season playing golf, tennis and fishing on Georgian Bay. Damen attends Our Lay of the Bay High School in Collingwood. He plays as many school sports as he can. High school athletics keep Damen competitive in a variety of sports such as ski racing. Damen enjoys being part of the Collingwood community. Damen's parents, Jason and Kathy and sister Abby love to watch him play all sports, especially hockey. He loves to be on the ice with his team mates and to put pucks in the net! Damen has enjoyed playing for the Stayner Siskins for the 2022-23 season. He has made some lifetime friendships and had many successes throughout the season. Damen is looking forward to continuing his hockey journey wherever it may

#### **COACH OF THE YEAR – Shane Gerber**

Shane is a lifelong resident of New Hamburg. Born to Elaine and the late Vern Gerber he played his entire minor hockey career locally. He married a local girl, Jessica, and they have a son Brendan. Brendan was chosen by the London Knights in this year's OHL draft. Shane got his start as a coach in the New Hamburg Minor Hockey system. In 2006 he joined the executive of the New Hamburg Firebirds as a director. His coaching philosophy and goals mirrored the mission's statement of the club and so in 2009 he accepted the Head Coach position. In 2020 he took on the dual role of General Manager and Head Coach a position he currently holds.

Shane is employed by Goodlife Fitness but he has a passion for the game of hockey. For Shane it is all about the young men on the team. It is creating an environment where players feel welcome, wanted and are given the opportunity to improve their skills and to be a part of our community. Helping them to achieve personal and team goals and mature as young men in preparation for life after hockey is his goal. Winning is important to Shane but he has never had a win at all cost attitude. To him the success or failures of his teams and its individuals is graded on more than just wins and losses.

#### **VOLUNTEERS OF THE YEAR - Randy & Debra Hull, Matthew & Nicole Sellers**

Over 30 years ago, now President Randy Hull began his relationship with the Schomberg Cougars as a sponsor. Randy and business partners were local residents, and supported the team with yearly sponsorships through their construction company. Randy, his wife Debra and daughter Nicole began attending games regularly. It was during this time, they began helping out with some day to day operations. Shortly thereafter, they joined the Executive and for the last 25 years have run the organization together. There have been other members throughout these years who have since moved on, for which they have been grateful to have worked with. Matthew, a former Cougars defenceman and captain, joined the Executive once his playing career was complete, over 18 years ago. Matthew and Nicole were engaged at the time he joined the Executive, creating a truly family endeavour. These four family members comprise the Executive positions of President (Randy Hull), Vice-President (Matthew Sellers), Treasurer (Debra Hull) and Secretary (Nicole Sellers). Matthew and Nicole's two children also help with the team, and are the Cougars biggest fans! This family is involved in both day to day game operations as well as the behind the scenes requirements to run the organization, which is the oldest franchise in the North Carruthers PJHL division.

Nicole Sellers is an elementary school teacher. She was born and raised in Toronto, and now lives just north of Schomberg with her husband Matthew, and two children (who also help with the team.) She has always been an avid sports enthusiast, and greatly enjoys community work. Working with the Schomberg Cougars allows her to combine both of these passions.

Matthew Sellers works in Court Services. He was born and raised in Newmarket, and lives just north of Schomberg with his wife Nicole, and two children. He played his entire Junior hockey career for the Schomberg Cougars, including being captain in his overage year. He was also a team member of a Divisional Championship year with the Cougars. He enjoys being able to give back to the club that he so proudly played for.

Bob Bressette started with the Flyers during the 1999-2000 season and has just wrapped up his 24th year as the trainer for our club. Bob did his undergraduate degree at the university of Central Michigan where he was student trainer for the football team and a couple other varsity sports. Upon finishing his degree there he then received his Bachelor of Education at the University of Western Ontario where he met Dennis Meston from the Flyers and was asked if he was interested in helping out the team. As they say, the rest is history.

Feedback from parents, Dr.'s and other trainers suggests that Bob is very good at what he does, his diagnosing of injuries from concussions to ankle sprains is bang on, we are very fortunate to have Bob with the Flyers and in the PJHL.

Bob received the OHA Trainer of the year in the 2010-11 season and continues to be worthy of the award.

In addition to Training for the Flyers, Bob volunteers his service with the LNHL, currently Bob is going to be the trainer for Team Ontario in the National Aboriginal Hockey Championships in Winnipeg, as well as Team Ontario Lacrosse that will be competing in the North American Indigenous Games in Halifax this July.

The Flyers and the PJHL are honoured to have Bob Bressette in our organizations.
